

PARKING @ ISBCC

The size and location of ISBCC means our on site parking cannot support most attendees during busy times.

Please consider saving parking spaces in our parking lot for **elderly and handicapped** during any busy times.

However we have **ample parking available a short walk away from the Center, in the Roxbury Community College lots (#2 or #1 if empty).**

Parking is almost always available, even for Eids, and is safe.

There is a **short 5-7 minute walk back to the masjid** along a well-lit and mostly covered path in front of the College.

Please **see the map** on the back.

We kindly ask all attendees **respect local parking laws, and make our presence a blessing for our neighbors.**

Please **do not park illegally**, including double parking or blocking driveways including at ISBCC. This is a safety issue. Streets are narrow, emergency vehicles need to get through. Vehicles may be towed if parked illegally.

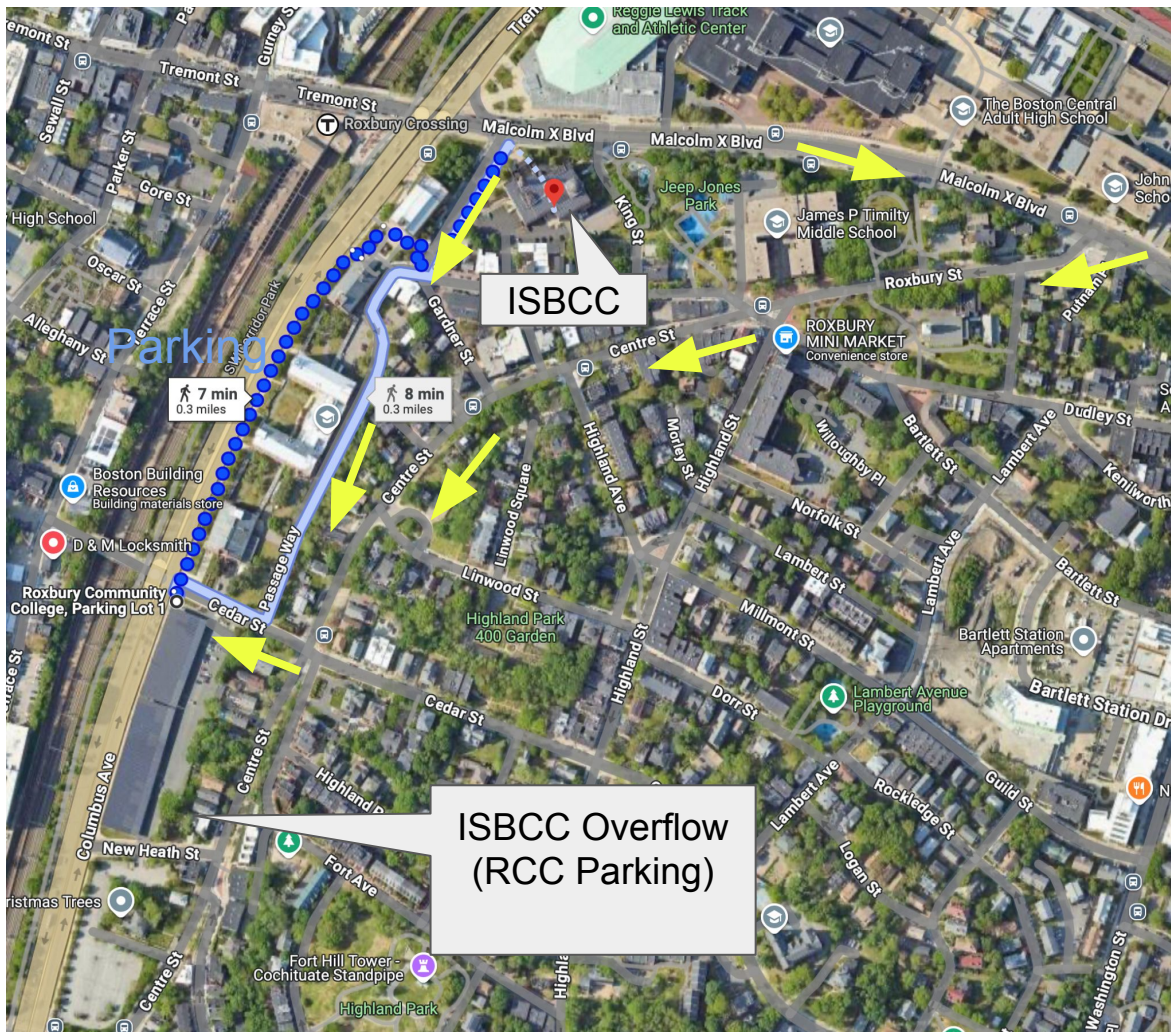

We kindly ask that you respect the direction of our team, who are here to make your experience safe and enjoyable.

W'salaam / With peace,

The Team at ISBCC
